Halspan Prima Plus Enhanced	FD60	PAR/16286/01
Halspan 45	FD90, FD120	CHILTA11116 Rev A

The scope of the certification is limited to the details and parameters contained within these reports and all aspects of the specification and limitations defined therein must be satisfied.

It is the certificate holder's responsibility to ensure that the latest version/ revision of the above assessment reports are maintained as part of the audited FPC system.

Failure to comply with all specifications will invalidate the certification and may jeopardise the fire performance.
