This Schedule references Field of Application Report PAR/18323/01 Issued July 2018

FD60, FD90, FD120 Glazed Double Leaf Metal Based Doorset

The Schedule forms an integral part of the certification specifying the scope and field of application for the doors including the configurations and leaf sizes approved together with the hardware, seal and frame specifications which must comply with the doorset as assessed in Field of Application Report PAR/18323/01 as identified above.

Only doors manufactured in accordance with this Schedule complying with the details of Field of Application Report PAR/18323/01 are deemed to be covered by the certification.

This schedule must be read in conjunction with the above mentioned Assessment report and all aspects of the specification and limitations defined therein must be satisfied. Failure to comply with all specifications will invalidate the approval and may jeopardise the fire performance.
