

Schedule for:

Neron Metal Industry AS

Organize Sanayi Bolgesi 30,
Cabbe No. 11 Melikgazi Kayseri
Turkey

Tel: 0090 352 5034334

| Product Name | Configuration | Rating (Integrity) | Test Report Ref |
|---|---------------|--------------------|---------------------------------|
| Single Leaf Fire Resistant Steel Door Unglazed | Single Door | E120 & EI90 | 392526 (Issued – 02/03/2018) |

The Schedule forms an integral part of the certification specifying the scope and field of application for the doors including the configurations, leaf sizes and infills approved together with the hardware, seal and frame specifications which must comply with the doorset as tested in test number 392526

Only doors manufactured in accordance with this Schedule complying with the details of test number 392526 are deemed to be covered by the certification.

This schedule must be read in conjunction with the above mentioned test reports and all aspects of the specification and limitations defined therein must be satisfied. Failure to comply with all specifications will invalidate the approval, and may jeopardise the fire performance.

A handwritten signature in black ink, appearing to read "Ian Woodhouse".

Ian Woodhouse
Certification Director

Date: 06 June 2018

The certificate and schedule are held in force by regular annual surveillance visits by IFC Certification and the reader or user should contact IFC Certification to validate its status. This certificate remains the property of IFC Certification and must be returned to them on demand.
