Nerston Ind. Estate
East Kilbride
Glasgow G74 4QL

for the production of fire resistant timber based FD30 and FD60 doorsets in accordance with IFC Field of Application assessment reports ref:

PAR/10852/01 – Rev A 44mm Distinct dura-cor FD30 Steel + timber frames.
PAR/11296/01A 58mm Distinct dura-cor FD60 Double acting Timber doorset
PAR/11381/01 – Rev A 40/54mm Distinct dura-cor Timber Doorsets FD30/60
Overall assessment

The above referenced Field of Application assessment reports cover a number of different door leaf designs in various commercially available configurations. The scope of the certification is limited to the details and parameters contained within these reports.

This schedule must be read in conjunction with the above mentioned Field of Application reports and all aspects of the specification and limitations defined therein must be satisfied. Failure to comply with all specifications will invalidate the approval, and may jeopardise the fire performance.

Ian Woodhouse
Director

Date: 18 August 2015

The certificate and schedule are held in force by regular annual surveillance visits by IFC Certification and the reader or user should contact IFC Certification to validate its status. This certificate remains the property of IFC Certification and must be returned to them on demand.
