

SCHEDULE No. 1186/S01

for

Michalis D Pikoulis & SIA E.E (intraDoor)

This Schedule is based on the Exova Warrington Certification document No. CF257 revised 31st March 2015 and valid until 17th March 2016 prepared for Pyroguard UK Ltd and relates to the fire performance of the following specifications when tested in accordance with BS 476 Part 22: 1987.

7mm EW30 11 mm EW30 Maxi & EW60

It is issued in the fabrication of timber glazed screens and is referenced on the IFCC certificate issued to the fabricator.

Only timber glazed screens manufactured in accordance with this Schedule are deemed to be covered by the certification.

The Schedule forms an integral part of the IFCC certification scheme SDP 09 as by invoking CF257 as the supporting evidence for this schedule, the details contained in the certificate specifying the scope and field of application for the glasses including the configurations and cut sizes approved together with the seal and frame specifications become part of IFCC certification. As this schedule invokes CF257 it cannot remain valid after the expiry date of CF257.

A handwritten signature in black ink, appearing to read 'Ian Woodhouse', is positioned to the left of the IFC logo.

Ian Woodhouse
Director of Certification

Date first issued:	12 November 2015
Revised:	21 September 2017
Reissued:	26 November 2018
Valid to:	11 November 2019

The certificate and schedule are held in force by regular annual surveillance visits by IFC Certification Ltd and the reader or user should contact IFC Certification Ltd to validate its status. The certificate remains the property of IFC Certification Ltd and must be returned to them on demand.
