**for the production of fire resistant timber based Vicaima
FD30 and Vicaima FD60 doorsets in accordance with
assessment reports ref:**

**FEA/F99112A Rev. I (FD30)
Chit/A13093 (FD60)**

The above referenced Field of Application assessment reports and Global Assessments cover a number of different door leaf designs in various commercially available configurations. The scope of the certification is limited to the details and parameters contained within these reports.

This schedule must be read in conjunction with the above mentioned Field of Application reports and Global Assessments and all aspects of the specification and limitations defined therein must be satisfied. Failure to comply with all specifications will invalidate the approval, and may jeopardise the fire performance.
