***Certificate number: IFCC 1393***

The production of fire resistant timber doorsets are manufactured in accordance with assessment/ test reports referenced within the following table:

<b>Doorset Description</b>	<b>Fire Rating</b>	<b>Assessment/ Test Report</b>
Tube Core Door Leaves installed in Timber Frames	FD30	PAR/13211/01
Solid Core Door Leaves (42VL) installed in Timber Frames	FD60	PAR/13211/03

The scope of the certification is limited to the details and parameters contained within these reports and all aspects of the specification and limitations defined therein must be satisfied.

**It is the certificate holder's responsibility to ensure that the latest version/ revision of the above assessment reports are maintained as part of the audited FPC system.**

**Failure to comply with all specifications will invalidate the certification and may jeopardise the fire performance.**

The certificate and schedule are held in force by regular annual surveillance visits by IFC Certification and the reader or user should contact IFC Certification to validate its status. This certificate remains the property of IFC Certification and must be returned to them on demand.
