Certificate number: IFCC 1322

The production of fire resistance timber door are manufactured in accordance with assessment/ test reports referenced within the following table:

| Owner | Rating | Report |
|--------------------------|---------------|---------------|
| KOMFORT PARTITIONING LTD | FD30 | IFCA/97023 |
| | | |
| | | |
| | | |
| | | |
| | | |

The scope of the certification is limited to the details and parameters contained within these reports and all aspects of the specification and limitations defined therein must be satisfied.

It is the certificates holder's responsibility to ensure that the latest version/revision of the above assessment/test reports are maintained as part of the audited FPC system.

Failure to comply with all specifications will invalidate the certification and may jeopardise the fire and security performance.
