Certificate number: IFCC 1627

The production of fire resistant glazed screens are manufactured in accordance with assessment/ test reports referenced within the following table:

Description	Fire Rating	Assessment/ Test Report
ENF-VP	EW 30	PC10271/PH13573
ENT-VP	EW 60	PC10272/PH13574

The scope of the certification is limited to the details and parameters contained within these reports and all aspects of the specification and limitations defined therein must be satisfied.

It is the certificate holder's responsibility to ensure that the latest version/ revision of the above assessment reports are maintained as part of the audited FPC system.

Failure to comply with all specifications will invalidate the certification and may jeopardise the fire performance.
