

Schedule No: IFCC/1515/S01

Certificate No: IFCC 1515

Al Mana Precision Industries **CERTIFICATION SCHEDULE**

for

Own Design FD180 Access Panel, FD180 Openable Window & FD180 Fusible Link Louver

This Schedule should be read in conjunction with Certificate No. **IFCC 1515**. The scope of approval herein is based upon the construction specification given in Test Report TC105 (issue date 30th May 2019) and covers only Specimens B, C & D which were tested to BS476: Part 22: 1987 for 30 to 180 minutes integrity performance. As such, the stated report should be consulted should clarification of any detail be required.

Only items manufactured in accordance with the construction specification contained within the above test report are covered by this certification.

A handwritten signature in black ink, appearing to read 'Ian Woodhouse'.

Ian Woodhouse
Director, IFC Certification

Issued 05 September 2019

The certificate and schedule are held in force by regular annual surveillance visits by IFC Certification and the reader or user should contact IFC Certification to validate its status. This certificate remains the property of IFC Certification and must be returned to them on demand.
